Parking Garage Driving Directions

From North Central Expressway take the Haskell Exit East. Take the first right at Weldon Street and enter the garage. Enter your telephone number or a 10-digit number when you enter the garage and the gate will open. We will validate your parking using the same 10-digit number. Park in garage C and take the elevator to Concourse level (C). Enter the Tower through the revolving door and take the lobby elevator to the Ground Level.

Upon leaving, make a brief stop at the exit, to allow the camera to recognize the vehicle's License plate number, the gate will rise.

If the gate does not rise, enter the same 10-digit number used upon arrival. For further assistance, use the "Push for Assistance" button.
